

DOCUMENT OF APPROVAL

We are pleased to confirm that following a successful assessment of the submitted firm's documentation and credentials, the undemoted entity has been approved by INSB Class Society for services on board classed vessels with this Society as follows:

Ref. Nr. of DOA: **DEV/DOA/TM/116/16**

Company: **MATERIAAL METINGEN TESTGROEP BV**
Rietdekkerstraat 16, The Netherlands

Approved service supplier engaged in: **THICKNESS MEASUREMENTS OF HULL STRUCTURE**

Operators / Inspectors Data: As per submitted and kept data

Description of Manufacturers / Models: As per submitted and kept data

Previous INSB DOA ref.: **DEV/DOA/TM/098/15**

Under your above stated capacity, you may perform **thickness measurements of hull structure** to vessels classified & certified by the INSB Classification Society, in accordance with the Society's applicable technical requirements & at the surveillance of this Society's Surveyor(s).

You are not authorised to provide any other service, outside the scope of the present document of approval, by or on behalf of this Classification Society.

Should there be any request for the performance or delivery of any other technical service on behalf of INSB, please consult INSB Head Office in Piraeus, Greece for authorisation and / or further guidance and related instructions.

While acting as an INSB approved service supplier, you have the obligation to inform INSB of any major change having affect on the quality of the service rendered, including withdrawal(s) or expiry of any submitted to INSB Credential, main changes to your firm's organisational structure, alterations to main procedures of operation or task capabilities.

This document of Approval is being issued on **the 30th day of May 2016** at Piraeus, Greece and shall remain in force for three (3) years from the date of issuance.
