SUBJECT : Renewal approval of the Thickness Measurement Company as a service supplier

Dear Sir,

In review of the satisfactory result of the assessment for your firm by a KR surveyor, it has been considered that your good company could be placed on the list of registered and recognized firms of this Society.

You can confirm the information about the validity of the certificate issued to your company and registered operators and download SeaTrust-TM, thickness measurement program.

In addition, you can confirm our procedure at KR homepage. (<http://www.krs.co.kr>)

This certificate will remain under the condition of your observance of the conditions, responsibilities, duties and applicable standards stipulated in the certificate.

Thanks and best regards.
